

The Dawn Treader News

And Additional Resources

As followers of Jesus, we are commanded to share our faith with others. However, most church-goers are reluctant to do so. Part of that reluctance is that most believers are not prepared—they have not studied or planned—to be able to give an answer for why they believe.

The Bible not only commands us to share our faith, but it also gives us wonderful guidance on how to do so. Through the Bible study below and the other *Aslan Academy* resources in this section, you and your children can be prepared to share faith in a winsome, joy-filled way. Follow the Seven-Step Plan for using these resources in an effective way. With the cultural backdrop of today's world, it is more important than ever for believers to give an answer for their hope.
