About the Fellows Program

What is it? The Fellows Program is a year-long discipleship program designed for men and women who are ready to be intentional about spiritual growth and who desire for God to use them in significant ways.

What do you study? Each month a biblical theme is examined through Bible study, reading assignments (approx. 300 pages) from spiritual classics as well as contemporary authors, and relevant audio and video resources.

When do you meet? The Fellows Program runs from June to June with summer readings that preface the September weekend retreat. Thereafter, Fellows meet as a group one Saturday morning per month for lecture and discussion on the monthly theme and small group interaction on assignments.

What makes it unique? Monthly one-on-one meetings with a personal spiritual mentor; multi-generational, cross-denominational community of like-minded believers; now over 200 graduates in the Atlanta area.
