

CHAPTER 7 – AUTHORITY OF THE BIBLE

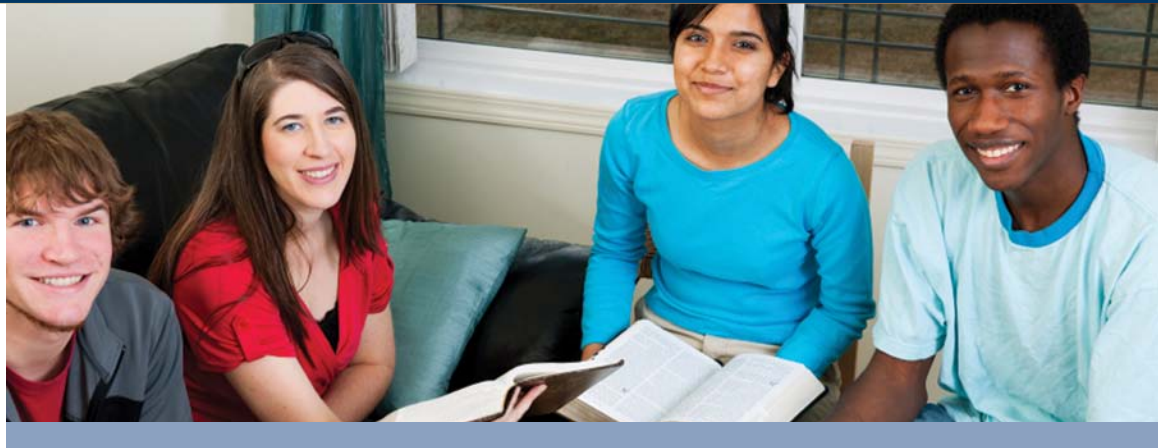

GROUP DISCUSSION QUESTIONS

1. What views did you have of Scripture when you were growing up? As you got older?

2. What are some other views of the Bible's authority that you have encountered? How have you seen the Bible come under attack?

3. What are some of the reasons why we can adhere to the reliability and the trustworthiness of the Bible? Elaborate.

4. What are some dangers we can encounter if we pick and choose what parts of the Bible we want to practice and believe and disregard or discredit the other parts?

5. If we believe that the Bible is God's Word, what implications does that have in the way in which we live our lives in society, the church, and the family?

6. What particular areas of the Bible do you find most difficult to believe or obey?

7. What practices can help you gain a deeper understanding of God's Word and help you in obeying God's Word? How has the Bible helped you throughout your life? Give some examples.
