

## Leader's Guide

*The Ufalme Experience* is designed to help you experience God's love and power and develop a vibrant prayer life. Follow these ten steps to lead a group through the experience:

- 1 Form a group.** Small groups of 2 to 12 people may work best, so consider inviting neighbours or friends if you don't have an existing group. For larger groups, you may want to review the videos and main content together and then divide into smaller groups for discussion and prayer.
- 2 Pick a time and location** to meet that is convenient for you and your group members. Plan to meet regularly to cover each of the ten sessions of the course. It may help to call or text your members to check in and remind them before each meeting.
- 3 Print Guidebooks or go digital.** You can print a Guidebook for each member either in color or black and white - it should cost even less than a cup of tea. Members can also access the Guidebook on phones or laptops if they prefer.
- 4 Begin each meeting with prayer** and invite God to guide your time.
- 5 Commit together.** During the first meeting read through the Welcome Session and invite participants to commit to participating in the full course together.
- 6 Watch the video** for each session together as a group so that the content is fresh on your minds.
- 7 Read the Bible.** Each week focuses on a different passage of Scripture. Invite your members to read aloud the Bible passage and then study and discuss together. During the course you'll learn a way of studying the Bible called: Look, Learn, and Live.
- 8 Get everyone engaged.** As much as possible give each person in the group an opportunity to share during each meeting. That way everyone's voice is heard and they feel valued and engaged.
- 9 Encourage group members** to pray for one another and to complete each of their Action Assignments.
- 10 Consider offering tea or snacks** before or after your meeting to create an inviting environment and encourage fellowship and discussion. You can invite members to take turns hosting or bringing tea or snacks if you like.
